REDLIFT

MASTER THE HEIGHTS

Metallomax

THE **REDLIFT** DISTINCTION

LATERAL FLOOR EXTENSION

- Only platform on the market with a CSA-approved lateral floor extension, an additional work area that significantly improves versatility and productivity, available as an option on all models

4 DIRECTIONAL WHEELS

- Experience the unparalleled control and manoeuvrability of independent front and rear directional wheels, a unique Redlift feature standard on all models

SELF-LEVELING STABILIZERS

- Improve stability at heights thanks to 4 stabilizers with both self-levelling and independent control, for ease of use or total control over any type of terrain

2-YEAR WARRANTY

REDLIFT | 21, Gauthier street, Warwick (Québec) J0A 1M0, Canada
Telephone : 819 358-6999 | info@redlift.ca | redlift.ca

SPECIFICATIONS

Platform Height	533 in
Max Work Height	605 in
Platform Capacity	1500 lb
Deck Extension Capacity	500 lb
Lateral Floor Capacity	500 lb
Lift / Lower Time	45 s
Machine Weight	16645 lb
Drive Speed	4 km/h
Turning Radius (Inside)	126 in
Turning Radius (Outside)	198 in
Diesel Engine	Kubota D1803 50 hp (Tier 4)
Tires	32 in (12 X 16,5)
Hydraulic Brakes	4 wheels
Hydraulic Tank Capacity	125 L
Fuel Tank Capacity	125 L
Max Tilt Rating (Fore and Aft)	2°
Max Tilt Rating (Side-to-Side)	2°
